FROM ANXIETY TO LOVE

WITH MARK YACONELLI

MARK YACONELLI: FROM ANXIETY TO LOVE (A CONTEMPLATIVE APPROACH TO YOUTH MINISTRY)

“Teenagers make adults anxious. Adults make teenagers anxious. God makes everyone anxious. Maybe that’s why youth ministry suffers such high amounts of burnout?

Based on ten years of research in the Youth Ministry and Spirituality Project (and Mark’s book *Contemplative Youth Ministry*), this workshop engages participants in creative exercises, contemplative practices, teaching sessions, discussion, and tested strategies to help churches, parents, and youth workers develop ministries that transition from anxiety to love, isolation to community, passivity to compassionate action.”

During the day... We are gathering Church and Youth Leaders together for a day of deep teaching and application by one of the leading thinkers in Youth Ministry on the planet.

In the evening... We are inviting all volunteers and leaders to join us for a refreshing evening of storytelling, inspiration and worship. Bring your teams!
