

You are invited to the next.....

East Northants Community Leaders' Lunch

Back after a socially distanced break of twenty months, the next East Northants Community Leaders' Lunch will be taking place on Wednesday 13th October 2021: 11.30am for 12 noon, at the Frontier Centre, off Addington Road, Irthlingborough, NN9 5UF. The meeting room ('The Summit') is on the 1st floor of the main reception building.

The lunch will take place just after some short talks on current community services and projects, including:

=====

- **East Northants Community Services:** food banks and homeless projects and its plans for its new offices in Church Street, Rushden
- The latest on **Social Prescribing** in the area – needs and opportunities in the light of the pandemic
- Latest news on planned **housing developments, including Rushden East**
- **PLUS any short talks that YOU want to give** about any community projects.

=====

A **buffet lunch** will then be provided alongside welcome drinks and refreshments. There will also be lots of time for catching up with others and **networking**.

What does it cost? Although there is no cost of this event, we suggest a donation of £5 on the day to cover food and other costs associated with the setting up of the lunch.

Who is this event for? Anyone who is interested, whether or not an official leader of anything

Places can be booked online at <https://www.eventbrite.co.uk/e/east-northants-community-leaders-lunch-tickets-178275927097>
